Connect your Event to the Universe

Star Gaze Hawaii opens a portal to the Universe at your event. We transport your guests to the deep reaches of space with breathtaking views of wondrous Stars, Star Clusters, Planets, Nebulae, and Galaxies. We bring a powerful astronomical telescope to your event and narrate and explain the stunning views. We will tell Star Lore, the History of Astronomy, and show helpful visual aids on an iPad. A single page Star Map is provided (one per couple). Voyage with us into the Universe.
